### ★ New Product Introduction

This month, we are pleased to spotlight one of our key offerings: **Orforglipron**

**Product Name: Orforglipron (for R&D use only, Launched in USA in April of 2026)**

**CAS No.:** 3008544-96-2

**Function:** Anti-Diabetes, Weight loss;

#### Sinoway's Advantages of Orforglipron:

1. Produced by synthesis method, consistency batch production with 5kg/batch
2. **High quality:** with assay of 99% up by HPLC, S. impurity<0.1%, total impurities <1.0%
3. **Competitive pricing** in the global market
4. **Large Capacity:** 10kg/month with 5kg regular stock, ensuring reliable supply.
5. **Regulatory Compliance:** Facility passed US-FDA audit, DMF is under developing
